ABOUT US

The Litchfield Corridor Beautification Committee is a nonprofit organization that maintains and landscapes the community medians in Pawleys Island, South Carolina, from Sandy Island Road to Martin Luther King Road. With the financial support of home/property owners associations, individuals, and businesses, as well as grants, our program provides for weekly mowing, litter removal 6-7 days a week, landscaping and plant maintenance.

With a \$25 donation to our flag project, you may honor an individual with the display of flags along the median on patriotic holidays.
