Guest of member rates are \$45.in May, \$39.in July, and \$42.in September. These are fun tournaments, and we hope to see a record turnout of players!

Watch your paper boxes and the Tradition Community Web Site for future Bingo dates and other resident activities.

**HAPPY SPRING!!!**

This Newsletter is published by and for the homeowners of The Tradition. Masthead photo by Chuck Swenson. Next issue: August '05.

## PRESIDENT'S CORNER

by Frank D'Amato

On behalf of your Board of Directors (BOD), I want to thank everyone who attended the tenth annual homeowners meeting in February. The meeting was held in the new Coastal Carolina University building across from the firehouse on Willbrook Boulevard. It is always a good sign to see homeowners interested in their association business. I also want to congratulate Ginni Swenson on her re-election to the Board.

As I write this message, it is late March, and you will not receive the Newsletter until the first week of May. I do want to mention several of the early projects for 2005, either just completed or about to be completed this spring.

1. The resurfacing of the Tennis Courts should be completed.
2. The base and resurfacing of the entrance side of the bridge should also be completed, weather permitting. I hope everyone understands the safety reasons behind our closing the entire front bridge during construction. If you are wondering, our Building and Grounds manager did notify the schools, police, fire department and trash collectors.
3. We have decided to take a more aggressive approach to our spring plantings. In the past, we have handcuffed our volunteers by restricting their available funds. The BOD has asked our B&G manager to solicit professional help in an effort to upgrade our common areas.
4. Thanks to the work of Bill Renault and Dave Toelkes, we now have a phone directory that makes the Tradition proud. Please take the time to read through the new directory.

Spring is here, and many residents are busy working to get their yards ready for the summer. I would urge everyone to join in and enjoy the summer season. This is also an opportunity to check the conditions of mailboxes, rusty driveways, sidewalks and curbs.

***This is a must from the BOD...find time to enjoy all the activities available in our great community and spend time with your neighbors.***

# ARCHITECTURAL REVIEW BOARD

By Vince Civitarese

Well, we made it through another winter, and I'm glad it is over. It seemed longer and colder this year than last.

I just wanted to remind everyone who is contemplating any changes or additions to your home to please get the permit applications to the ARB 2 weeks before our regular meeting which takes place on the third Tuesday of each month. This is a new system we are trying, and it seems to be working. The 2 weeks lead time gives the board members time to review applications so that we can take action at our next meeting.

Hope we all have a great summer with no hurricanes.

Thanks,  
Vince

## WILLBROOK ROAD MAINTENANCE DISTRICT

By Dick Albright

No action from Georgetown County on assuming responsibility for road surface maintenance for Willbrook Boulevard and Kings River Road. Transfer papers have been with the County since early February.

Guidance with regard to turn lanes and curb cuts on Willbrook Boulevard has been provided to the MINGO developer. It is imperative that safe traffic flow be maintained.

## COVENANTS COMMITTEE

Jeanette Renault

Spring is here, and we look forward to beautiful green lawns and flowering shrubs. Please check your irrigation system and be sure your rust inhibitor is in working order.

There are a few complaints your Covenants Committee has received regarding:

- Keeping garage doors closed when not in use. Besides being a Covenant requirement there is the matter of stolen property and snakes.
- Commercial vehicles need to be garaged, not parked in the driveway overnight.
- Pet waste
- Sporting equipment needs to be stored in the garage when not in use.

We ask residents to be mindful of these Covenants.

Jeanette Renault

***Here we are... another spring, warm weather, new plantings. We are excited about the plantings that you will see in the common areas. The new plan should liven up our entrances and clubhouse areas.***

***We have a couple of major projects in the works. As of this writing the tennis courts are going to be resurfaced. The color has been changed to give it a livelier look. Now the tennis players have no excuses!!***

***We appreciate everyone's patience as we closed the roadway on the main entrance so we could resurface the incoming lane. We are glad that we were able to get this done, and before the summer months when everyone is going back and forth to the beach and pool. Thanks again for your understanding.***

***By the time you read this we would have had our pool clean up day along with a general fix up around our community. Thanks to everyone who helped out. We intend to get some new pool furniture. Remember to have the kids wear the appropriate diapers when using the pool.***

***Our sprinkler systems for the common areas are being monitored for broken heads, broken pumps etc. You can all help by giving us a call if you see any one not operating properly. If you require Rid of Rust chemicals for your system, Bob Thompson (235-0734) will sell it at contractors cost.***

## **GARDEN CLUB NEWS**

The Tradition Garden Club has had an excellent year of programs and our membership has increased to a total of 78 members. In March, Paul Kelly Renault from Frank's Restaurant was the speaker and discussed growing herbs and using them in dressings, sauces, entrees, and even desserts.

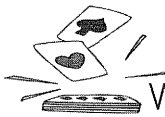

In April, the club traveled to the Flowertown Arts and Craft Show with lunch at Oscar's, a restaurant in Summerville. Also in April, the Garden Club was included in an article in The Myrtle Beach Sun News featuring area garden clubs.

Our final meeting of the year will take place this month at Austin's with a luncheon and presentation of the new slate of officers.

For myself, this has been a most rewarding year working with The Tradition Garden Club as president. I want to take this opportunity to say thank you to the many members for their support. I have enjoyed working with the various committees who have been excellent in performing their duties.

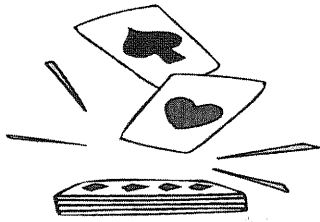

*Merry Cotton*

### **LADIES WEDNESDAY AFTERNOON BRIDGE**

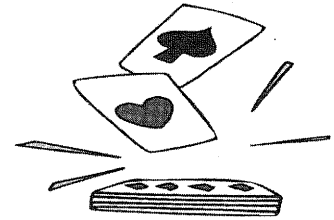

Wednesday Afternoon Bridge is open to anyone who desires to show up at 12:30 PM at the Residents Clubhouse with 50 cents for the kitty. Play is until 4:00 PM. Everyone brings her own snacks and refreshments. Pennies are put in a pot for each "downed" trick that is not made in the bid taken home each week by the player with the lowest score...if your cards are awful, you may as well have something good out of the afternoon!! New additions to the group are always welcome. For further information, contact either Suzie Albright at 237-1594 or Elsie Siebert at 235-8429.

## BRIDGE ACTIVITIES

### MARATHON BRIDGE

Marathon Bridge continues to proceed with much enjoyment. The Women's Marathon has three sections, and they are all well into their year. They will meet at Pawleys Plantation on June 1, 2005 for a luncheon. The winners will be announced at that time.

The Tradition Couples Marathon has been a pleasant experience for the couples here at the Tradition. They will meet at the Residents Clubhouse for an awards party on June 10, 2005.

Marathon Bridge is a once month obligation for you and your partner. Each month one pair hosts another pair. They play 24 hands of bridge and turn in their scores to a central person who keeps a running total of each partnership. In June everyone will have an event for the presentation of prizes. This format has been very popular, and we continue to grow. If you or someone you know might be interested next year, please call Danny Phillips @ 235-9338.

### FIRST FRIDAY NIGHT BRIDGE

First Friday Night Bridge of Tradition will continue playing bridge at the Residents Clubhouse @ 7:00 p.m. throughout the summer. Each month we will send out an E-mail to those who have given their addresses to Danny Phillips. The replies will help us to know how many tables we will have playing. We can also call if you have not notified us of your E-mail.

Please come, join your friends and neighbors, and bring a snack if you wish and your drink of choice. We are looking forward to seeing you. Please call Danny Phillips @ 235-9338 or E-mail [DPhill413@aol.com](mailto:DPhill413@aol.com) to make your reservation.

# TRADITION LADIES NINE HOLE GOLF LEAGUE

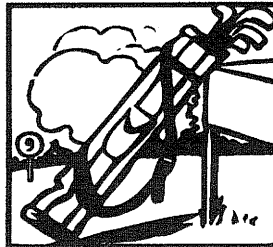

By Dot Franco

The Ladies Nine Hole Golf League board has changed. Our new board member is Joan Murren, who has accepted the position of co-chair.

On February 15th we held our "Bring a Friend to Golf Day". This was a huge success, and we welcomed several new members. We will be holding our second annual Family Outing Day on April 26th. This will be a potluck dinner held at the Resident's Club House. Nine Holers will invite their family members to attend.

The Sadie Hawkins tournament will be held on August 13th. Our committee is in full swing with Skippy Esposito as Tournament Chairperson. Ladies from the 18 Hole and 9 Hole Leagues will invite members of the Men's League or Gold Tees to be their partners.

If you are interested in joining the Ladies Nine Hole Golf League, call Dot Franco at 237-9190 or Joan Murren at 235-3733.

## TIP OF THE MONTH

By Steve Dresser

***Ever wonder how long your back swing should be? Here's a simple way to find out.***

Hold the club with only your right hand (if you play right - handed) and take the club back to the point where you would feel most powerful if you could use only your right hand to swing the club. I'll bet you're not back all that far and that your elbow is bent and your hand is very far from your head. That's all you need. Now go ahead and let the club come back farther. It feels terrible there, doesn't it? You might even try hitting a few balls with only your right hand holding the club. Use a 7 iron and put the ball on a tee. You're apt to surprise yourself when you discover how well you can do it! Good luck with your game.

## Tradition Gold Tees

by Vince Franco

The Tradition Gold Tees continues to grow and prosper. We have a number of new members who come out to play each Wednesday.

Paul Kelly, Vice President of Tournaments, has announced the 2005 tournament schedule. The 3rd Annual Gold Tee Member/Spouse/Partner Tournament will be held on July 20th. There will be a shotgun start at 2:00 pm. We are shooting for 26 four person teams. This has always been a fun day that features a delicious cookout at the clubhouse after golf.

The 4th Annual Gold Tee Tournament will be on September 14th. This year's tournament will be dedicated to the memory of our dear friend and fellow member, Armand Cocuzza.

The Gold Tees will also be hosting the annual Tradition Golf Club Labor Day Tournament with the Tradition Nine Hole Ladies. The tournament committees of both leagues will plan a great day of golf and fun.

Ed Sheldon, Jerry Bucello and Harry Hunt are planning to have the Spring Gold Tee Dinner on April 7th at the pool house. These dinners are very special social occasions for our members. They also give our member/chefs an opportunity to demonstrate their culinary skills. No one ever goes away hungry.

John Palazzo recently announced orders are being taken for the new cool Gold Tee summer golf shirts. The moss green shirts are made of a fine pima cotton. Members can also add a new attractive golf hat to their Gold Tee collection.

Each week, Bill Huish takes pictures of our winning teams. The pictures are then placed on our web site: <http://qualitykid.com/GoldTees.htm>

This group is composed of a great bunch of guys who play nine holes of golf from the gold tees on Wednesdays. Our primary purpose is to have fun, enjoy good fellowship and improve our golfing skills. Players of all handicaps are welcome. Contact Bill Huish at 237-5631 if you are interested in joining us.

## ***SPECIAL NOTE:***

Golf course residents are reminded of our Covenants regarding golfers coming onto their property to retrieve errant shots. Although this covenant gives them this relief, it does not permit them to hit their ball from a homeowner's private property back onto the golf course. ALL resident property is out of bounds for play. This covenant was written December 29, 1994 and is titled TRADITION AT WILLBROOK PLANTATION. Please see pages 16, 17 and 18. Foremost, golfers should respect the homeowner's privacy.

## ***2005 ICE BOWL TOURNAMENT***

The annual Ice Bowl Tournament was held the week of January 24th. Each year during the winter months, it's Tradition vs. Prestwick in a home/away match. The home match was a close contest at the Tradition with Prestwick up by one point. However, the match at Prestwick was a run-away victory for the home team. The Ice Bowl trophy remains at Prestwick for another year. A very nice lunch was served to the players after the match at the Tradition.

## ***FIRST ANNUAL ITALIAN DINNER***

The dinner was served by members for members at the Founders Hall at Precious Blood Church. According to Vince Franco the dinner was a huge success. Thanks to Head Chef **Eddie Sheldon** and his cooks and waiters, **Jerry Bucello, Armand Cocuzza, Jim Conway, Vinnie Esposito, George Feno, Lou Fossi, Harry Hunt, Bill Kendall, John McLaughlin, Jack Ross, Ernie Sementilli, Jack Starrick, and Bob Thompson**. Thanks to 50/50 ticket salesmen **Paul Kelly** and **Kurt Fuller**. Special thanks to **Jim Conway** for obtaining Founders Hall and organizing the trivia and putting games.

## ***HOLE-IN-ONE CLUB***

Congratulations to a new member of the club, Marion Culpepper. Marion "aced" the #5 hole from the gold tees on Tournament day, Monday February 21st. This was Marion's second "ace" in his golf career with the first coming during a family vacation in Oklahoma. The free beer was enjoyed by all!! Marion's playing partners were **Jack Shriver, Dick Albright, and Paul Kelly**.

After 30 years of golf without a hole-in-one, our newest member is **Bill Renault**. Bill's lucky day was 03-04-05. Bill "aced" #15 while playing with his regular Friday group, "The Twelve Apostles". The "ace" assisted Bill in shooting a 40 on the back nine. Needless to say, Bill also won the pin shot. Bill's playing partners were, **Frank Gambeski, Paul Kelly, and Harry Stewart**.

## ***2005 MEMBER/GUEST TOURNAMENT***

Mark those calendars for **August 18, 19, and 20**. (Thursday, Friday, Saturday) The dinner/dance will be held on **Thursday August 18th**. Golf on **Friday the 19th**. Friday evening is now open. **Saturday August 20th** - finish golf with a casual cookout afterwards at the Tradition Clubhouse.

## ***SPECIAL NOTE***

It is with deep regret that we inform you of the passing of member **Armand Cocuzza**. Armand was very active in the Gold Tee and the Monday Men's Club activities. Armand will be missed by his family, friends, and neighbors.

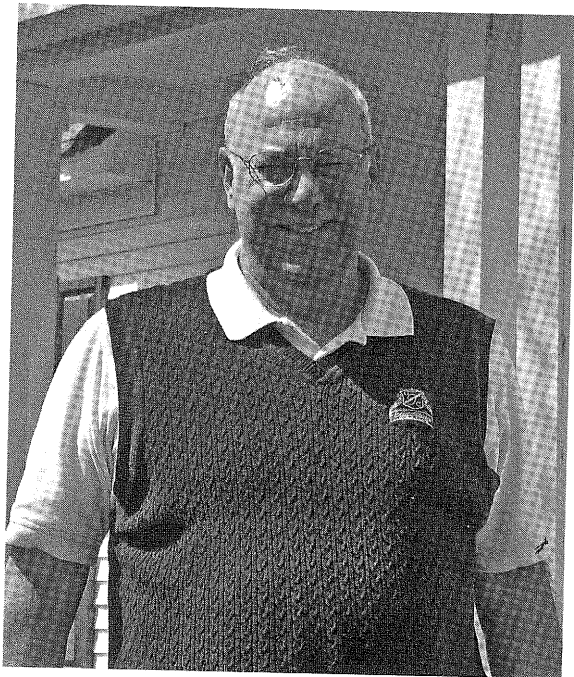

Intriguing Chinatown satisfied the palates of many Tradition community residents with recipes of Lemon Chicken, Stir Fried Pork, Egg Rolls and Egg Drop Soup on March 16th. The Gourmet Diners Club will be wrapping up its 3rd Season on May 11th when the entire group meets to celebrate America's heartland and the Great State Fair. Attendees will taste recipes from all over this great country from Idaho Potatoes to Maryland Fried Chicken and topping off the evening with Prize Winning Pies.

# VOLUNTEERS THE HEART OF A COMMUNITY

David Toelkes and his wife, Jane Reynolds, moved here in September 1998 from Arlington, VA. David had been in the military (Army) for 20 years and was with the American Red Cross for more than five years. He has also worked for several defense contractors around the Washington, DC, Metroplex. Jane, meanwhile, worked for Senator Rutland for 12 years and left to work for the National Endowment for the Arts for 2 1/2 years. Dave has been responsible for the Residents Telephone Directory since 2001. He's a member of the Men's 18 Hole Golf League and the X-Tour

for about 3 years. He and Jane are also very active in the Couples Marathon Bridge Group. Thanks go to Dave for all his hard work on behalf of the whole community!!

Thanks also go to Sue Ebbitt for her work as a member of the Tradition Covenants Committee. Sue, a former resident of Annapolis, MD, moved here in 2002. She was formerly with the US Postal Service for 27 years where she held 15 different positions working with Customer Relationship Management. Sue is also active in The Georgetown County Literacy Council as a grants writer, and NARFE (Nat'l Active & Retired Federal Employees), a grass roots Organization that lobbies Congress to protect their health benefits.

She loves to golf and enjoys the outdoors while walking her dog. She and some friends have also taken up making bird feeders from teacups - a craft which has landed them an article in an upcoming issue of "Birds & Blooms" magazine!! Way to go, Sue!!!
