**FOR THOSE WHO WANT TO PLAY  
NINE HOLES**

The Club has given us a great deal to help fill up the spaces. The cart and green fees will be \$15 for Members and only \$20 for Non-Members.

People can sign up at the Club House as a foursome, a twosome or individually and we will match them up. Women are welcome to sign up alone or in teams, whichever they prefer. Just make sure those who want to play nine holes put a "9H" behind their name.

**Remember this is for 9 hole play not 18. We will be in on time for the announcements and the food. The timing was great at the last tournament and the prizes were split fairly between the 18 hole and 9 hole groups.**

***A fun day for all!***
