MONDAY, NOVEMBER 28TH 9:00 AM CALLING ALL VOLUNTEERS!!!!!! HELP!!

Regina Wichrowski of the Tradition Garden Club needs women and men volunteers to help decorate the community for the holiday season as we have in the past.

Neighbors! We really need your help, especially some men who can climb ladders to hang wreaths, etc.

If everyone takes their turn, we can once again make our community a role model of "holiday spirit". It only takes a few hours if we have enough help! Won't you give us an hour or two?!

Please give Regina a call at 235-9101 and tell her you'll be glad to help get us in the holiday mood!!!

I am sitting here writing this newsletter as I look out my window at the tail end of Ophelia. It appears good luck was with us. No one was hurt, no property damage and no cost to the Association. We should always be this lucky.

After the tragic accident on Kings River Road, I contacted our county councilman, Jerry Oakley, and requested that the county "double line" both Willbrook Boulevard and Kings River Road. Both roads are 35 mph speed limits, and it does not make sense to pass on these streets. As you can now see, both streets are **double lined**. So please, do not pass on these streets.

The streets mentioned above have now been turned over to the county. We are no longer responsible for their maintenance. However, we continue to pay part of our dues to maintain the lawns, shrubs and signs along both Kings River Road and Willbrook Boulevard. We are only one of many associations paying for this upkeep. We will be receiving a refund that was in reserve for road maintenance. I do not have a figure at this time, but the Board will place this money into our budget planning for 2006.

I am also receiving calls from residents regarding other residents who are speeding on Tradition Club Drive. This Association has a written agreement with the County Sheriff's Office to patrol and dispense tickets based on our traffic signs. I have contacted the Sheriff's Office, and they will patrol, especially in the morning, as this seems to be the most frequent time for speeding. This is a safety issue. Neighbors do recognize the speeders, so please, do not place us in a position where we have to issue names to the police.

We have received complaints about people using our pool who are not residents of Tradition. We do our best to check on these folks. However, it seems difficult to catch them. I recently chased 7 people from the Reserve and retrieved the key they had in their possession. Residents should not be afraid to ask folks where they live, and our residents should not be offended if you are not recognized and are also questioned. It is tough to know every resident.

We continue to have residents performing work that changes the exterior of their homes, as well as making major changes to their landscaping, without meeting with the Architectural Review Board (ARB). In most cases the work is permitted under our Covenants, and the ARB would have issued a permit. Unfortunately, occasions have arisen when work was completed that was not permitted under the Covenants, and we have had to ask the homeowner to modify or remove the violation. This becomes costly to the resident and is not something we like to do to a neighbor. Both time and money can be saved by meeting with the ARB.

The Board of Directors along with our maintenance manager have been spending a great deal of time with a professional engineering firm studying our streets and drainage. I plan to have a full report ready for a community wide meeting that will be held later this fall at the Coastal Carolina Building at the end of Willbrook Boulevard. You will be notified.

I am very pleased to report that our budget is on track for 2005. Barring any unforeseen circumstances, we will end the year as planned. You can read Board Minutes on our web site or pick up a set of minutes in the mailbox located to the left of the pool house door.

Have a great holiday season, and I hope to see everyone at the special fall meeting.

Building and Grounds

By Howard Krauth, Manager

A lot has been said, and rightfully so, about our volunteers and the work they do to help preserve our community. Without them we would be at a loss.

I would like to spend a little time saying thanks to the contractors that do work for our community. As you all know, a good contractor is hard to find.

Number one on the list is Pryor Landscaping, our landscaping contractor. They are here every week, mostly on Tuesday, cutting, trimming and fertilizing all of our common areas. If we had a severe hurricane, they would do the clean up.

Waccamaw Management is our pool service contractor. They maintain our pool and keep the water quality up to DHEC standards. They also clean the pool deck and in case of a hurricane, group our furniture so it doesn't end up in the golf clubhouse.

Our flowerbeds are designed and planted by Waccamaw Landscaping (not connected to Waccamaw Management). They have been with us for two planting seasons and have done an exceptionally good job.

The engineer that maintains our storm water waste system is Williams Engineering. They have cleaned out our catch basins and solved a number of our drainage problems. They also installed our front entrance road pavers.

Although these are not all of the contractors that do work for us, they are the ones that do the majority of the day to day work we require.

Like I said in the beginning, volunteers are needed but it's good to have contractors that we can rely on for projects that are too big for Buildings and Grounds to handle.

If you have any questions or suggestions for this committee, do not hesitate to call. I wish to thank all the residents who volunteer their time and especially the members of my committee

Needleworkers

Join us Fridays from 10 AM to 12 Noon at the Residents' Clubhouse to work on any needlework projects you'd like to complete...or we'll help you get started on a new project.

Call Loretta Espey @ 235-3518 if you have any questions.

MEALS ON WHEELS

For those who are in need, some of the residents will provide meals as needed in case of surgery, illness, etc.

ARCHITECTURAL REVIEW BOARD

By Vince Civitarese

With the summer behind us I would like to remind all of our members that before any work is done on their homes, a permit needs to be obtained. This includes the installation of shutters and the cutting down of all trees. If there is any doubt about the requirement for a permit, please feel free to call an ARB member. Remember to allow time for a permit to be processed. Two weeks is the preferred time, but it could take longer depending when the permit application is filed.

A new \$25 refundable fee has been added to the requirement for an application to be processed. This new fee will start on the first of the year. This will allow the ARB to track the completion of projects and help us clear our records of completions.

Thank you.

COVENANTS COMMITTEE

By Jeanette Renault

Many thanks to all who are making a valiant effort to keep iron rust under control. It is difficult and seems at times to be an insurmountable problem. A lengthy flyer was delivered to many residents two months ago. This has helped but has not been as successful as we hoped.

The quickest (about 20 minutes), easiest and least expensive solution is to use a garden pressure sprayer with a mixture of eight ounces of oxalic acid powder in a gallon of water. This will usually remove the rust from your concrete and vinyl siding surfaces. Sensitive shrubs should be flushed. The powder is available at Scofield Hardware, just over the bridge in Georgetown; cost \$4 per pound. There are liquid forms of rust removers, usually more expensive, and one must read instructions carefully to prevent damage to grass and shrubs.

Other concerns brought to our attention are:

Overnight parking on the street: Page 5 Covenants Booklet - No "on street" parking overnight. This is a hazard and a Covenant violation.

Boats: Page 4 Covenants Booklet - Recreational equipment (boats, campers, etc.) may be parked for 24 hours for loading and unloading. Storage must be off site or in garage.

A Separate Note to Renters: We ask your help if the property you are renting is not being kept according to community standards. Please contact the homeowner to make arrangements for proper maintenance.

GOURMET DINERS CLUB

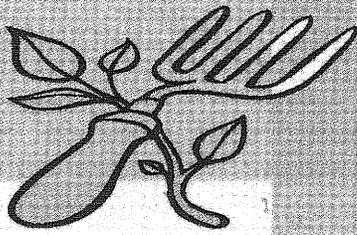

In Our Fourth Season

The Gourmet Diner's Club opened the 2005-2006 with a *Bon Voyage Party* which was held at the Resident's Club House on August 24th. Approximately 80 of our neighbors and friends stopped by to sample Mediterranean cuisine, register for the season and sign up to host in the upcoming season. The first Port of Call brought our members to Casablanca, Morocco on September 21st. The captain's table at nine of our residents' households served Chilean Sea Bass with red pepper salsa and couscous with vegetables; topping off the evening with a Phyllo Pastry dessert doused in berries and custard cream. Members will disembark in Izmir, Turkey on November 9th for another enticing meal guaranteed to satisfy the most discriminating palate.

The Gourmet Diner's Club is open to all residents of the Tradition Community. Not too late to come aboard our cruise of the Mediterranean with stops in Greece, Sicily and Spain still ahead. For more information visit our website at: <http://qualitykid.com/Gourmet.htm>

TRADITION GARDEN CLUB

By Pat Crimmins

The 2005-06 Garden Club season began in September with Waccamaw Landscaping presenting a program on various plantings, problems and solutions. The remainder of the year will offer interesting topics such as Bonsai, Ikebana (flower arranging) and Palms. We'll also include a visit from the folks at Wild Birds Unlimited as well as a bus trip in April to Middleton Place on the Ashley River in Charleston!

We have new members signed up, and we're hoping you will join us too. We're all gardeners at heart—whether working in the soil or simply standing back and admiring! So come on—men and women! Visit THE Garden Club today and enjoy this fantastic season with us.

Our meetings are held in the Residents' Club House at 9:00 AM on the second Tuesday of each month. We enjoy some good food and then have the presentation of the day. You'll be pleasantly surprised—and you may even grow something a little special!

NOTES FOR RESIDENTS

REMINDER: If you are a new resident homeowner (not renter), please remember to give David Toelkes a call at 235-2023 with your new phone number. Dave keeps our Owner's directory updated.

The Ladies Eighteen Hole and Ladies Nine Hole Leagues

held a "Get to Know You" captain's choice event on July 14th. The teams were made up of ladies from both leagues, playing a non-competitive game followed by a pizza party at the Residents' Clubhouse. Everyone had such a good time that we are planning another get-together in the near future.

Waccamaw Neck Match Play Challenge

The sixth annual Waccamaw Neck Match Play Challenge between the ladies leagues of the Tradition Club and Pawleys Plantation was held on June 28 and 29. Tradition won 17 to 15. Day one format was doubles with Tradition winning six out of eight matches, building a 12 to 4 lead in overall points. Day two singles matches were won by Pawleys with a score of 11 to 5, coming up just one match short of retaining the title. After six years, the matches stand all even.

Waccamaw Challenge Winners

Week two was followed by lunch at Tradition, and the winning team was Jeanne McElroy, Joanne Foster, Ann Hunt and Suzie Jones.

Tradition/Litchfield Interclub

The two clubs planned a two-week event, playing the first week at Tradition on August 16, but were rained out the second week. This event was also a two-low net per team game comprised of players from both leagues. The ladies decided to go ahead with lunch at Litchfield, and award the team that was ahead after the first week of play the first place honors. They were Marsha Smith, Gail McLaughlin, Daune Barksdale and Linda Bowers. A special thanks to Suzanne Strasser for organizing both interclub events.

President's Cup Tournament

This tournament is one of the two most important tournaments of the year. It is a two day, low net cumulative game based on 100% handicap. The ladies played on September 8 and 15, followed by an awards dinner catered by Magnolia's at the Residents' Clubhouse.

The 2005 President's Cup Winner was Maureen Lempert.

Maureen came in with a total score of 145 for the two days of play. Pat D'Amato and Linda Lehman tied with a 146 and played a sudden death playoff. Pat D'Amato won second place after completing two holes, and Linda Lehman placed third. Tradition Gold Tees

by Vince Franco

The 4th Annual Gold Tee Tournament was held on September 21st. This year's tournament was dedicated to the memory of our dear friend and fellow member, Armand Cocuzza. Each player received a golf towel with the Gold Tee logo. After the tournament the men had pizza, beer and soft drinks. The game was a team Stableford. Jerry Bucello, Bill Huish, Elliott Dodson and Vince Franco are the 2005 champions.

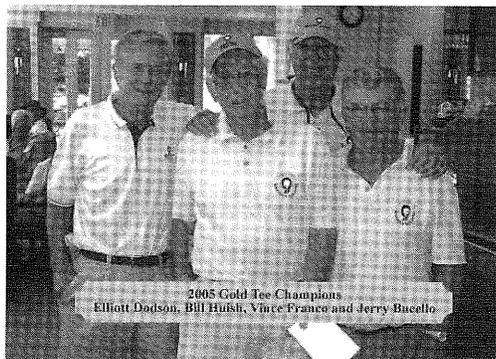

The Gold Tees co-hosted the annual Tradition Golf Club Labor Day Tournament with the Tradition Nine Hole Ladies. The tournament was a great success.

The 3rd Annual Gold Tee Member/Spouse/Partner Tournament was held on July 20th. Everyone who participated had a good time.

On September 27th, Ed Sheldon, Martin Robic, Tom Maguire, Kurt Fuller and Harry Hunt prepared a Gold Tee Oktoberfest Dinner at the Residents' Clubhouse. The menu included sauerbraten, spatzle, red cabbage, shrimp, and Black Forest cake. These quarterly dinners are very special occasions. They also give our member/chefs an opportunity to demonstrate their culinary skills. No one ever goes away hungry.

Each week, Bill Huish takes pictures of our winning teams. The pictures are then placed on our web site: <http://qualitykid.com/GoldTees.htm>

This group is composed of a great bunch of guys who play nine holes of golf from the gold tees on Wednesdays. Our primary purpose is to have fun, enjoy good fellowship and improve our golfing skills. Players of all handicaps are welcome. Contact Bill Huish at 237-5631 if you are interested in joining us.

The Tradition Resident's Mixed Golf Tour

The Tradition Community Mixed Golf Tour welcomed 42 golfers at Caledonia Golf Club in August. Due to afternoon thunderstorms several foursomes were unable to finish. The course will be rescheduled in 2006, and those people who did not complete 18 will get credit at the next outing. September brought 52 golfers to Grande Dunes for a fabulous round and exquisite Italian buffet in the clubhouse. The Tour is winding up the 2005 Season with play at Ocean Ridge Plantation's Tiger's Eye, Burning Ridge, the Pearl, and Pine Lakes International is planned for early December.

In 2006 the Tour will be scheduling golf on a monthly basis at the best courses on the Grand Strand at the best possible rates. Quarterly we will offer special golfing and dining extravaganzas. Watch your mailbox for flyers introducing the course of the month or visit the Mixed Golf Tour website at <http://qualitykid.com/tour.htm>. As always the golf outings are open to all residents and guests of the Tradition community.

TIP OF THE MONTH

By Steve Dresser

Winter is near. That time of year when temperatures drop and handicaps soar! Don't be discouraged if you don't play your best golf during the chillier months. Most people don't, but that doesn't mean you can't still enjoy yourselves out there. Here are a few tips to help you battle the elements.

1. Be aware the ball doesn't carry as far in cool weather. Take a little more club and swing smoothly.
2. Give yourself a few minutes before tee time to stretch and limber up a bit. It's much easier to "get loose" in the summer than it is in the winter.
3. Dress for success. Layer your clothing properly so you can remain warm but swing freely. I like to start with a turtleneck followed by a vest, then a sweatshirt and finally a windshirt. You may think that 4 layers will make you look like the Michelin Man, but this combination works well and allows you to peel off a layer or two when it warms up in the middle of the day. Don't forget your longjohns for the lower body.
4. The wind can blow a bit more in the winter. Learn to "punch" the ball under the wind by playing the ball back in your stance a bit and making a 3/4 backswing and an abbreviated follow through.
5. Be sure to switch from clear liquors to dark! Scotch or Irish whiskey make for a nice "swing oil" so you won't even feel the cold. Just remember, you didn't hear that one from me! **Good luck with your games.**

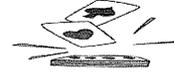

LADIES WEDNESDAY AFTERNOON BRIDGE

Wednesday afternoon Bridge at the Clubhouse could use a few more permanent players. If you're interested in joining this fun group playing "Rubber Bridge" with friends and neighbors, call either Elsie Siebert or Suzie Albright to participate. We play from 12:30 to 4:00 weekly and indeed have a lot of laughs along the way. Give us a jingle at 235-8429 or 237-1594.

FIRST FRIDAY NIGHT BRIDGE

First Friday Night Bridge of Tradition will continue playing bridge at the Residents' Clubhouse @ 7:00 p.m. Each month we will send out an E-mail to those who have given their addresses to Danny Phillips. The replies will help to know how many tables we will have playing. We can also call if you have not notified us of your E-mail.

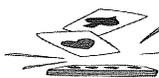

Please come, join your friends and neighbors, and bring a snack if you wish and your drink of choice. We are looking forward to seeing you. Please call Danny Phillips @ 235-9338 or E-mail DPhill413@aol.com to make your reservation.

MARATHON BRIDGE

Marathon Bridge on the Waccamaw Neck has grown since 1999 from one section of 10 pairs of mixed players to 40 pairs of ladies and 10 couples. Marathon Bridge involves one pair hosting another pair to play 24 hands of Bridge each month September through May. The total scores are turned in to a central location where a running score is kept until the marathon is over. In June everyone will attend an event for the presentation of prizes. This format has been very popular, and we continue to grow. If you or someone you know might be interested next year, please call Danny Phillips @ 235-9338.

TRADITION COUPLES MARATHON BRIDGE

This is a very enjoyable way of playing bridge and meeting new couples. Interested? Call Danny Phillips @ 235-9338.
